TREAT YOUR WASTE
SAVE
THE ENVIRONMENT

THE VISION:

FGS Arabia IS A LEADING PROVIDER OF INNOVATIVE AND SUSTAINABLE WATER TREATMENT SOLUTIONS FOR COMMERCIAL, INDUSTRIAL AND MUNICIPAL CUSTOMERS.

Our company was founded in 2015 by a team of experienced water treatment Professionals with a passion for delivering high-quality, cost-effective solutions to our clients. Since then, we have grown into one of the most respected water treatment companies in the industry, with a reputation for excellence and a commitment to sustainability.

At FGS Arabia, We believe that access to clear, safe water is a basic human right. That's why we are dedicated to designing, building, and maintaining water treatment systems that improve water quality, reduce water usage, and lower operating costs for our clients. We believe that by working together, we can create a more sustainable future for our planet and for generations to come.

OUR SERVICES:

AT FGS ARABIA, WE OFFER A RANGE OF WATER TREATMENT SERVICES TO MEET THE NEEDS OF OUR CLIENTS. HERE ARE SOME OF THE SERVICES WE PROVIDE:

» WATER TREATMENT SYSTEM DESIGN AND INSTALLATION:

We specialize in designing and installing custom water treatment systems that are tailored to the specific needs of our clients. Our team of engineers, technicians, and water treatment specialists work closely with our clients to understand their challenges and goals, and then develop comprehensive water treatment plans that deliver real results. We use the latest technologies and techniques to design and install water treatment systems that are efficient, effective and cost-effective.

» WATER TREATMENT SYSTEM MAINTENANCE AND REPAIR:

We understand that water treatment systems require ongoing maintenance and repair to keep them operating at peak performance. That's why we offer comprehensive maintenance and repair services for all types of water treatment systems. Our team of experienced technicians are available 24/7 to provide emergency repair services, and we offer preventive maintenance programs to keep your systems running smoothly.

» WATER RECYCLING AND REUSE:

We believe that water recycling and reuse is the key to reduce water consumption and waste. That's why we offer a range of water recycling and reuse solutions to help our clients reduce their water usage and costs. Our solutions include wastewater treatment, graywater recycling, and rainwater harvesting.

» CHEMICAL TREATMENT:

We offer a range of chemical treatment options to treat water and wastewater for reuse or discharge. Our chemical treatment solutions include disinfection, oxidation, coagulation, and flocculation. We use the latest technologies and techniques to ensure that our chemical treatment solutions are safe, effective, and environmentally friendly.

In addition to our comprehensive range of water treatment solutions, FGS ARABIA also offers specialized equipment for specific water treatment needs. Our state-of-the-art equipment includes advanced filtration systems, chemical treatment systems, and desalination systems.

Our specialized equipment is designed to remove specific contaminants from water sources and provide customized solutions for clients with unique water treatment challenges. With our specialized equipment, we can treat even the most challenging water sources and provide our clients with the highest quality water possible.

» CONSULTING AND TRAINING:

We understand that our clients may need additional support and guidance to optimize their water treatment systems. That's why we offer consulting services and training to help our clients better understand their water treatment systems and optimize their operations. Our consulting services include water quality testing, system analysis, and optimization. We also offer training programs for our clients' staff to ensure that they have the skills and knowledge needed to operate and maintain their water treatment systems.

OUR CHOOSE US:

» EXPERIENCED AND KNOWLEDGEABLE TEAM:

Our team of engineers, technicians, and water treatment specialists have decades of combined experience in the water treatment industry. We are committed to staying up-to-date on the latest technologies and techniques, and we work closely with our clients to develop customized solutions that meet their unique needs and goals.

» CUSTOMIZED SOLUTIONS:

We understand that every client is different, and that's why we take a customized approach to our water treatment solutions. We work closely with our clients to develop customized solutions that are tailored to their specific needs and goals. Our solutions are designed to be efficient, effective.

WATER TREATMENT SOLUTIONS:

FGS Arabia is a leading provider of water treatment solutions for commercial, industrial, and municipal customers. With a team of experienced professionals and a commitment to innovation, we offer a range of customized solutions to meet our customers' unique needs.

our core values are centered around sustainability, efficiency, and customer satisfaction. We believe that access to clean, safe water is a basic human right, and we are dedicated to designing and maintaining water treatment systems that improve water quality and reduce water usage.

OUR SERVICES INCLUDE DESIGN, INSTALLATION, MAINTENANCE, AND REPAIR OF A WIDE RANGE OF WATER TREATMENT SYSTEMS, INCLUDING:

- *REVERSE OSMOSIS SYSTEMS*
- *FILTRATION SYSTEMS*
- *WATER SOFTENING SYSTEMS*
- *UV DISINFECTION SYSTEMS*
- *CHEMICAL TREATMENT SYSTEMS*
- *WATER RECYCLING AND REUSE SYSTEMS*
- *WASTEWATER TREATMENT SYSTEMS*

WE ALSO OFFER A RANGE OF CUSTOMIZED SOLUTIONS TO MEET OUR CUSTOMERS' SPECIFIC NEEDS, INCLUDING:

- *SYSTEM OPTIMIZATION AND UPGRADES*
- *PROCESS IMPROVEMENT CONSULTING*
- *STAFF TRAINING AND EDUCATION*
- *WATER USAGE AND COST ANALYSIS*

- At FGS Arabia, we understand that every customer has unique needs and challenges. That's why we take a collaborative approach to developing solutions that work for our customers. Our team of experienced professionals works closely with our customers to understand their goals and develop customized solutions that meet their needs.
- Our commitment to customer satisfaction is reflected in our dedication to providing high-quality products and services. We use only the best materials and equipment in our installations and repairs, and we offer comprehensive maintenance and repair services to ensure that our customers' systems are operating at peak performance.
- AT FGS Arabia, we are passionate about creating a more sustainable future for our planet. We believe that through innovation and collaboration, we can create a world in which everyone has access to clean, safe water. Join us in our mission to make a difference for the planet and the people who depend on it.

FGS Arabia is a leading provider of water treatment solutions for industrial, commercial, and municipal clients. With years of experience in the industry, we have established ourselves as a trusted partner for clients who demand reliable, efficient, and sustainable water treatment solutions.

At FGS Arabia, our mission is to improve water quality, reduce water usage, and promote sustainable practices in the communities we serve. We believe that access to clean, safe water is a basic human right, and we are dedicated to helping our clients achieve their water treatment goals while minimizing their environmental impact.

OUR COMPREHENSIVE RANGE OF WATER TREATMENT SOLUTIONS INCLUDES:

- WATER FILTRATION AND PURIFICATION
- REVERSE OSMOSIS SYSTEMS
- CHEMICAL TREATMENT AND DISINFECTION
- WATER RECYCLING AND REUSE SYSTEMS
- WASTEWATER TREATMENT SYSTEMS
- DESALINATION SYSTEMS
- SYSTEM MAINTENANCE AND REPAIR SERVICES
- TRAINING AND SUPPORT PROGRAMS

We understand that every client has unique water treatment needs and challenges. That's why we offer customized solutions that are tailored to our clients' specific requirements and goals. Our team of experienced water treatment specialists will work with you to develop a solution that meets your needs while maximizing efficiency, reliability, and cost-effectiveness.

At FGS Arabia, we are committed to providing exceptional customer service and support. We believe that strong relationships with our clients are essential to the success of our business, and we work hard to ensure that our clients receive the highest level of service and support at all times. Whether you need assistance with system design, installation, maintenance, or repair, our team is here to help.

Our commitment to quality, sustainability, and customer service has earned us a reputation as a leader in the water treatment industry. We are proud to have served a diverse range of clients, including Fortune 500 companies, municipalities, and small businesses. Whatever your water treatment needs may be, you can trust FGS Arabia Solutions to deliver reliable, efficient, and sustainable solutions that meet your unique requirements.

INDUSTRIAL WASTE TREATMENT AND RECYCLING:

INDUSTRIAL WASTE TREATMENT AND RECYCLING:

OVERVIEW:

FSG Arabia is a leading provider of sustainable and environmentally responsible industrial waste treatment services. Our company is committed to providing innovative, cost-effective, and customized waste management solutions to industrial clients of all sizes.

SERVICES:

Our services include but are not limited to hazardous and non-hazardous waste management, onsite treatment and recycling, transportation and disposal, and industrial wastewater treatment. We use cutting-edge technologies and state-of-the-art facilities to treat a wide variety of industrial waste streams, ensuring compliance with all regulatory requirements and minimizing the impact on the environment.

EXPERIENCE:

With over 20 years of experience in the industry, our team of experts has the knowledge and expertise to handle any industrial waste management challenge. We have worked with clients in a variety of industries, including manufacturing, petrochemicals, pharmaceuticals, and more.

COMMITMENT TO SUSTAINABILITY:

At FGS Arabia, we are committed to sustainability and reducing our clients' environmental footprint. We offer a range of innovative solutions to help our clients reduce waste generation and increase recycling, including onsite treatment and recycling programs, waste-to-energy solutions, and more.

SOLUTIONS :

SOLUTIONS :

1 >> **CHEMICAL TREATMENT UNIT (CTU)**

2 >> **SLUDGE DEWATERING**

3 >> **SLUDGE TREATMENT**
FERMENTATION, CARBONIZATION, COMPOSTING

4 >> **LIQUID INDUSTRIAL WATER TREATMENT**

5 >> **AMMONIA STRIPPING**

6 >> **HIGH SALINITY WATER TREATMENT**
INCINERATOR REJECT TREATMENT

7 >> **ANNAMOX SYSTEMS FOR HIGH NITROGEN CONTENT**

8 >> **ETP , WTP , FEED PRE-TREATMENT SYSTEMS**

9 >> **PROCESS UPGRADE IN WASTE MANAGEMENT FACILITIES**

10 >> **ODOR / GASES CONTROL**
H2S DEGASIFIERS

11 >> **CHEMICAL INJECTION SKIDS**

12 >> **ADVANCED PARTICLE SEPARATOR FOR HIGH TSS CONTENT**

13 >> **OIL SEPARATION , OILY SLUDGE TREATMENT**

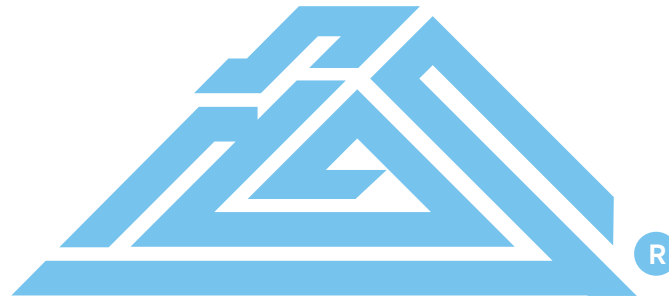

14 >> **EVAPORATION POND TREATMENT**

15 >> **INDUSTRY LIQUID WASTE TREATMENT/RECYCLING**

16 >> **SPENT CAUSTIC TREATMENT/RECYCLING**

17 >> **PROCESS TANKS SUPPLY & INSTALLATION**
(GRP , FRP , ST.ST. , GLS)

18 >> **WATER DISINFECTION ELECROCHLORINATION**
